Taster Session Information sheet

Our taster sessions run on alternate Saturday mornings from 10 am until 1pm.

Equipment to bring with you please.

- Please wear clothes that you do not mind getting clay on.
- Please wear shoes with closed toes and a strap at the back.
- An apron.
- A hand towel for you to use.
- Please could you let us know a mobile phone number in case we need to contact you urgently prior to the session.

About the morning.

Mohamed will give you a short introductory talk about the processes involved with throwing and then will demonstrate throwing technique on the wheel. He will demonstrate how to prepare the clay and you will then be on the wheels throwing. You will be able to make up to 6 bowls. At the end of the session you can then choose how many bowls you would like to keep. There will be a charge to be paid at the end of the session which will be dependent on how many bowls you choose to keep. Small bowls (1lb wet clay) will be £3.00 per bowl. Large bowls (2lbs wet clay) will be £7.80 per bowl. You can pay for your bowls by card or cash in the pottery.

After the session.

Mohamed will turn, fire, and re-fire your pots so they are finished and ready to be used. Please note that all items you have made will need to be collected from the pottery when completed. We will email you when the pots are ready to collect. We can post them to you if required for a fee of around £13.00. If pots are not collected within two months of us informing you that they are ready, we will sell them in our shop.
